

A VP DEBATE ON THE ISSUES

SEN. HARRIS

VP PENCE

WOMEN'S REPRODUCTIVE

Kamala Harris supports Roe v. Wade and will fight for women's reproductive rights.

While in Congress and as governor, Mike Pence worked to take away a woman's right to choose.

CORONA VIRUS PANDEMIC

Kamala Harris introduced legislation to create the COVID-19 Racial and Ethnic Disparities Task Force Act to address the healthcare inequities resulting from the Trump-Pence administration's failed response to the pandemic.

As leader of the coronavirus task force and vice president, Mike Pence has failed the country and refuses to counter misinformation from the president that jeopardizes American lives.

HEALTHCARE

Kamala Harris supports the Affordable Care Act, which millions of Americans depend on.

Mike Pence wants to destroy the Affordable Care Act during a global pandemic.

CRIMINAL JUSTICE REFORM

Kamala Harris has led on criminal justice reform and policing reforms that increase accountability.

Mike Pence says we should "set aside" talk about institutional bias or racism in law enforcement.

ECONOMY

Joe Biden and Kamala Harris have an economic recovery plan for American families.

The Trump-Pence administration led our country into a recession.

LGBTQ+

As California attorney general, Kamala Harris refused to defend Proposition 8 in court. She also has a 100% rating from the Human Rights Campaign and officiated the first same-sex wedding in the state after the U.S. Supreme Court ended Proposition 8.

Mike Pence championed LGBTQ discrimination laws and supported a constitutional amendment that would have defined marriage as between a man and a woman.

ENVIRONMENT & CLIMATE CHANGE

Kamala Harris believes science, knows climate change is one of the biggest threats to the world, and has gone up against Big Oil.

Mike Pence does not believe that climate change is a threat to the country, has previously said that he didn't think the science on climate change was "resolved," and supports Big Oil polluters.

RACE IN AMERICA

The Biden-Harris ticket has unequivocally denounced white supremacists.

The Trump-Pence administration has cozied up to white supremacists throughout their time in office.
